

COMMUNITY PINT NIGHT

Sam's Tap Room & Kitchen is excited to host Community Pint Night. Every Wednesday we would like to offer non-profits a venue to celebrate their cause and earn money for their organization or event. You do the promotion; we provide the space. Our most successful pint nights are well organized- they promote their event in advance via social media, posters, emails, newsletters, etc. During the event- provide information about your organization, an activity or raffle, items to sell & of course a donation jar. The best part is you will receive \$1 dollar for each pint sold. Questions?
